ABOUT OUR MENU:

BakeHouse Bistro promises a dining adventure in which each bite reveals a new taste sensation.

Rediscover the authentic tastes of freshly harvested food. Every week of the year as different foods reach their seasonal peak of taste, we seek out the best market-fresh products, such as vine-ripened heirloom tomatoes in summer, crisp apples in autumn, hearty root vegetables in winter and tender green asparagus in spring.

Every item on our seasonally inspired menu is nutritionally balanced to include the highest quality lean meats and seafood, good carbs and beneficial oils such as extra virgin olive oil.

BakeHouse Bistro combines the sheer pleasure of a great meal served well with the satisfaction of knowing you've served yourself well too!

Each menu is created by our team of talented chefs and nationally recognized Chef Owner, Jonathan Munsell.

We look forward to having you as one of our "regulars"

Sincerely,

Jonathan & Stan
